

# Wholesale Ultra Low Sulfur Kerosene

Keeping your customers cozy

## Products you can trust

- **The right composition –**  
Heating options for customers with colder winters has never been so diverse. Our Ultra Low Sulfur Kerosene is made for the changing New England seasons - keeping your customers warm and cozy throughout the year.
- **Up to standard –**  
You can rest easy knowing our product meets or exceeds all legislated standards.

## Operational excellence

- **Reliable supply –**  
In addition to ultra low sulfur kerosene, we can provide you with a reliable supply of other products from our state-of-the-art refinery in nearby Saint John, NB. We offer heating oil, diesel, kerosene and propane when you need them, where you need them.

## A team on your side

- **Customer focus –**  
Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust –**  
Our responsive local team understands the market, provides technical support and is dedicated to serving you.
- **Customer support –**  
We have a Customer Support Team available to take care of your needs, answer questions or quickly fix any issues.
